BA Youth Work with
Applied Theology

Current Ministry:

Youth worker, Cathcart Youth Ministry Partnership, Glasgow

Why did you choose to study at ICC?

I chose ICC as it was local college and offered a Christian youth work programme.

What did you like about the programme?

I really enjoyed my placement. Three years at a fantastic church with a very supportive congregation. It was great to see the young people I worked with grow in their faith and become actively involved members of the church congregation.

What work or ministry are you involved in now?

I am the youth worker for Cathcart Youth Ministry Partnership which is a joint youth ministry between three churches on the south side of Glasgow. *Radiate* is the working name, and our goal is to be relevant yet distinctive.

How did your studies help you in your current work / ministry?

The programme made me even more convinced of my calling to ministry with children and young people. In my current ministry I do reflect back to things that I learned in lectures and on placement - the do's and don'ts of successful, Godly youth ministry.
